

LEAP July 23rd 2013

Athletes Registration

Dear Athlete,

Car parking on campus is always an issue especially during the working week and you will be directed by stewards to an appropriate place to park and this *may* not be close to the Stadium, though Poles can be dropped off at the Indoor centre first

After parking your car, stewards will direct you towards the HiPac. Athletes Registration will open at and will initially take place in a marquee in the HiPac Car Park where you will need to get a wrist band before you can enter the HiPac. The numbers desks will be on the entry level of the High Pac and you need to collect your numbers at least **90 minutes** before your event. These desks will be open from **14:00** onwards

Coaches will be admitted on the production of a valid coaching licence and £1.

Please check the websites www.l-e-a-p.co.uk for any timetable changes and to notify us if you are not competing or are not going to run in other events that you have previously entered.

Call room times are as follows:

Sprints 20 minutes before Event Time

Hurdles 25 mins before event time

Pole Vault 65 mins before event time

High Jump 45 mins before event time

Other Field Events 40 mins before event time

On entering the HiPac, the warm up area is downstairs.

If you have any questions please do not hesitate to contact me.

Regards,

Nick Dakin

Meeting Director

The Official Preparation Camp Headquarters for Team GB
